FAQ—What Are Workshop Tracks?

The Safety Expo Divides the Sessions and Topics into Understandable Tracks

- ❖ **Compliance Certification Track:** Sessions where attendees receive certification; classes are longer and more detailed.
- ❖ **Safety Workshop Track:** One to six-hour sessions covering safety-related topics.
- ❖ **Construction Management Track:** Sessions on management, legal and financial issues.
- ❖ **Green Track:** Sessions relating to Green building – overview on current and proposed legislation, and certification requirements.
- ❖ **CRC Hands-On:** Cosumnes River College welding; four-hour sessions with one to one-and-a-half hour hands-on training.
- ❖ **PEMA:** Professional Equipment Managers Association – mechanical /technical equipment sessions and hands-on training.
- ❖ **Special Projects:** Sessions that are unique; one-time offerings of a specialized topic.

The Attendee Registration Brochure and the on-line registration event form displays each of these Expo Tracks for your convenience. Please register early - many sessions have classroom capacities! For the complete curriculum or additional information, please visit: www.sacsafetyexpo.com
